Campus Drucker in Garching

Information for First Semester

a) Printing, copying and scanning in DIN A4 and DIN A3, both in b/w and in color can be performed on the Xerox ColorCube multifunction printers. Print jobs can be uploaded **from home** or work.

b) Affordable price we offer printers on the campus in front of our shop A4 s /w on with 5 cents. A4 in color with 10 cents, format A3 twice and per scan on USB Stick with 10 cents.

c) Payment is made using the blue or white Studentcard or the yellow Mensa Guest Card of the Studentenwerk. students, TUM Relatives and guests can use the system flexibly via use **24h a day**.

d) **The Campus Printer account is, independent of the account of the Studentenwerk, at printy**. The upgrading takes place at the card upgrading device installed on the side. Credit repayments take place at printy in the store.

e) Operating system compatible Campus printer drivers for private PCs can be downloaded from the printy website http://www. printy. de/de/druck-und-bindeleistungen/campus-drucker/treiber-campus-drucker. html.

f) **Please pay attention to this:** for printing via sticks, these must be FAT32 formatted. Also, only PDF files that are created in DIN A4 format can be printed (no letter or powerpoint presets). Please do not carry out more extensive work, such as over 100 pages and more demanding prints such as Bachelor's and Master's theses, due to too little memory, at the Campus Printers. **Danger of a crash!!!** This is safer, faster and with higher quality in printy stores. Mo-Friday 10:00-15:00 o´clock   phone 089 32928906

g) In the event of any problems, please be patient and forbearance with printy and this complex, but also unique, printing and copying system.
